# What the stars are...

## Drinking

Jessica Simpson's main guy, **TONY ROMO**, is a man of simple tastes — but they go beyond plain old beer. He was recently spotted knocking back Ultimat Vodka, a favorite of the Hollywood crowd.

## Keeping caffeinated with

**NATASHA BEDINGFIELD** and other celebs get the best of both beverage worlds when they hang at Knave, the new hot spot in NYC's Le Parker Meridien hotel. A gourmet espresso bar by day, Knave transforms into a relaxed, upscale bar at night.

## Shopping with

**VANESSA MINNILLO** and other fans of American Eagle Outfitter's Aerie line can get a VIP A-list card at participating stores and redeem it once a month (and on their birthdays) for fun gifts like a pair of undies, lip gloss or candles. It also gives buyers the heads-up on special offers and promotions.
