TOM & KATIE Too Early for Wedding!

Lopez

Pitt

Stefani

STARRY NIGHT! WHEN Paramount Pictures CEO **Brad Grey** wed **Cassandra Hysentruyt** in Beverly Hills April 16, some of his big-name guests were time-challenged. **Tom Cruise** and **Katie Holmes**, who showed up a half hour early for the 6:30 P.M. nuptials, "were asked to drive around the block," says an insider. Meanwhile, **Jennifer Lopez** and **Marc Anthony** sneaked in at 7:05 — five minutes before the ceremony's end. But most of the 350 revelers, including **Brad Pitt**, **Mark Wahlberg** and **Jack Nicholson**, were model guests. **Gwen Stefani** and **Gavin Rossdale** even sang a song together at the reception!

A LeAnn Cease-fire

Chuck E. Cheese's: where adults can be adults! **Brandi Glanville**, 38, and **LeAnn Rimes**, 28, played nice at Glanville's son's 4th birthday on April 15. The ladies (who've been warring since the boy's dad, **Eddie Cibrian**, 37, left Glanville for the singer in 2009) were all smiles, snapping pics of B-day boy Jake. "Everyone got along," says a source. Indeed, Glanville later tweeted to Rimes, "It was a great day!"

"They're really trying," says the source.

A source says, "They stuck together."

Glee Star's New Gal!

Flirt alert! **Chord Overstreet**, 22, and **Emma Roberts**, 20, appeared quite the couple at the A/X Armani Exchange and 944 Magazine carnival in Indio, California, April 16. "They were making out," a witness tells *Hot Stuff*. "They couldn't keep their hands off each other!" And as the night ended, the pair were just getting started: "They were talking about heading to a hotel pool!" But they cooled things down at Coachella the next day. Says a witness, "She was leaning in to him, but he seemed way more interested in his food."
